**Patti  
Stepp**

**July Demo – Patti Stepp** Patti will demonstrate using a palette knife with bright colors and multiple layers to create 3-d landscapes and still life paintings. Patti uses a palette knife to build 3-d canvases of landscapes and majestic creatures. Her bold technique of building up the paint suggests something innovative between painting and sculpture. Her paintings reflect a unique style blending impressionism with hints of surrealism.

## **Member Show Time**

We need all our members to enter our Annual Membership Show at the Doss.

The prospectus is at the end of this newsletter, or you can go to **[weatherfordart.com](http://weatherfordart.com) to register**

First place was awarded to Weatherford artist Kathy Cunning for her watercolor “Mad Canyon Ranch Barn.” Kathy depicts the weathered barnwood and rusted corrugated roof with her usual care. She says the barn belongs to a friend in Poolville and she has painted this old barn from both sides and “each side is just as interesting”. We agree. Come see this work and others by Kathy featured at The Doss Heritage and Cultural Center through July.

Second place was garnered by Patricia Harder for her acrylic painting, “Picture Within a Picture.” Her inspiration was to create a companion painting to one she had purchased that contained vibrant yellow and purple hues. The result was her graceful still-life composition which will be on display during July at First Bank Texas in downtown Weatherford.

Third place honors were awarded to Val Vierling for her watercolor “Cutter.” The painting was based on a photo taken by Val’s niece of her husband at a cutting horse competition. Val depicted an exciting rendition of the swirling dust and motion familiar to all cutting horse enthusiasts. Her painting will be on display during July at the Fort Worth Community Credit Union on South Main Street in Weatherford.

**Set up paintings at each meeting by 6 PM to enter in our monthly contest. Winners are displayed at local banks. Get your artwork noticed.**

One entry per member. Digital compositions using AI Image Generator Software are not allowed.
