Margaret Drake, Sculpture

Margaret Drake is best known for her bronze sculptures of animals and people including scenes of nature in pastels and clay relief. My subject matter comes from my own imagination. I have always been an animal lover, and I have always been fascinated with the grace, beauty, and strength of true athletes." Her demonstration for WAA will focus on sculpture tools and production methods, including the beginning armature for her work, building a form with clay, the bronze foundry process, and a special patina she adds to her sculpture Margaret now makes her home in Glen Rose, Texas. You can learn more about this artist at margaretdrakestudio.com.

August Artist of the Month

First place was awarded to Weatherford artist **Dale Smith** for her oil painting, “Treasures”. This charming oil painting features a Pika, a small mammal about the size of a chipmunk. Native to rocky slopes the Pika in Dale’s painting has foraged some edible treasures and is headed home to his burrow with them. Come see this work and others by Dale featured at The Doss Heritage and Culture Center through September.

Second place went to **Michael McCarty** for his watercolor "Escape". Michael spotted this intricate mix of light, shape, and color in a fire escape of an old building in Hillsboro. His eye was attracted by the play of sunlight against the shapes and angles. Michael’s painting will be on display during September at First Bank Texas in downtown Weatherford.

Third place honors were awarded to **Marla Sheft** for her watercolor painting “Such Big Feet”. Known for her detailed wildlife paintings, Marla’s subject is a Lynx in winter, displaying the large, padded feet that aid in traveling over snowy surfaces. You can view her painting during September at the Fort Worth Community Credit Union on South Main Street in Weatherford.

Paintings must be set up at each meeting by 6 PM to enter in our monthly contest.

Winners are displayed at local banks. Get your artwork noticed.

One entry per member. Digital compositions using AI Image Generator Software are not allowed.
