Volunteers are a vital part of furthering our 501(c)(3) mission AND absolutely necessary IF we are ever to have an art center.

Interested in becoming a volunteer? We have plenty of fun opportunities to get involved.

Scan the QR code with your phone to see how you can help.

# ART Demos

*January Demo  
Pamela Summers  
presents  
Juried Art Shows*

Pamela Summers is a local artist who describes her home, garden, gallery, and studios as 'nirvana'. In her many years as a successful professional ceramic artist, she has been a juror for the Main Street Art Festival in Fort Worth and many other shows. Pamela's joining us on January 22nd to share how to successfully enter juried shows by presenting a cohesive body of work; ideas on how to make the most of photographs of your work and tips on the perfect short artist's statement focusing on your signature technique.

She spent one summer in her private studio as calls it 'a peaceful experience' creating a ceramic tile mural that decorates I-30 in Grand Prairie. As a sculptor, she has met the challenge of multiple forms of art and learning to market her work in many venues including the Main Street Arts Festival in Fort Worth. As a very young person she always enjoyed drawing and painting. She has marketed and sold paintings in Ga., Fla., Calif. & Brazil and many more places.

Join us for Pamela's presentation regarding entering the best juried shows. You can see her work on Facebook at Pamela Summers Pottery and online at [cliffhousestudio.com](http://cliffhousestudio.com).

*February Demo  
Sharon Farmer  
presents  
Perspective*

Sharon Farmer (Whitehead - Winters)  
I graduated from Tarleton State University with a BA in art and teacher certification and later with an MED in School Administration and principal certification. I came to Shirley Hall Middle School my second year teaching and remained there until I retired after 23 years in 2018.

After retirement I spent a year in Palm Beach Florida then returned to my hometown, Perrin. Overcome with boredom in 2021 I became the first art teacher in many years at Perrin High School. The same school I attended for 12 years of my youth. Perrin is about as far from Palm Beach as you can get, but I love it.

*More pictures will be available for email prior to February meeting*

**Our watercolor workshop with David Tripp will be March 11, 10am - 4:30pm at the senior center, 1225 Holland Lake Drive. Members' cost will be \$100, non-members \$125.**

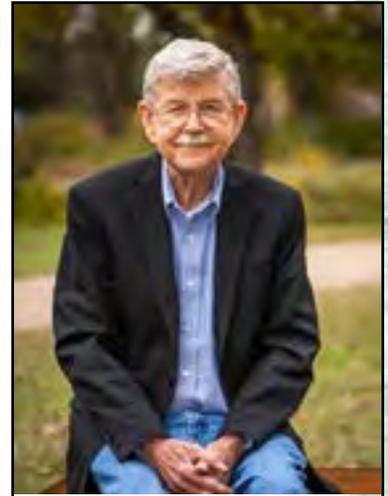

**David Tripp** currently owns The Gallery at Redlands in Palestine, Texas and also displays in Studio 48, 4720 S. Cooper, Arlington. Retiring after three decades in the classroom, David currently enjoys creating watercolors featuring small-town American sights fading from our landscape, but not our memories. A native Missourian, David grew up in St. Louis and studied art in rural northeast Missouri while earning his Bachelor's degree from Northeast Missouri State University (now Truman State University).

# Remembering a Local Artist

Dan Brown, a beloved local artist, passed away on Sept. 16, 2023, at his Fort Worth home where he lived with his wife of 65 years, Joyce Hawkins Brown.

He was born July 26, 1938, in Midland, Texas, In 1943 his family moved to Lubbock, Texas, where Dan grew up. Dan's natural talent for art was first encouraged by his 4th Grade art teacher. He graduated in 1956 from Monterey High School where he served on the annual art staff and took as many art classes as possible. He then attended Texas Tech to study art. After a 15-year career in advertising art, Dan pursued his lifelong dream to earn his living by painting Texas landscapes.

After he retired, Dan moved to Benbrook, TX. For forty years, Dan traveled the Texas Art Circuit selling his original paintings and prints of those paintings. He frequently visited local festivals, and was a regular vendor at such events as the Chappell Hill Bluebonnet Festival, the Weatherford Peach Festival, and the monthly Canton Flea Market. More than 10,000 collectors own his artwork. During those same 40 years, Dan taught art classes in his home studio. Hundreds of people learned to call him teacher and friend.

Dan Brown  
1938 - 2023

Dan's favorite subject material for his watercolors was Texas - landscapes, wild flowers, farms, ranches, light houses, canyons, mountains, water and coastlines. For Dan, a painting had to be something that spoke to him with a story to tell. In 2016, Dan was the judge of the Weatherford Art Association's Peach Festival Art Show. He was a good artist, and a wonderful person. He will be missed by all who knew him.

Thank you to Jerry Shidal for writing this tribute to Dan Brown and obtaining the pictures.
