## Weatherford Needs An Art Center!

### May Demo - Amy Glasgow - Monotype & Linocuts

The Weatherford Art Association welcomes Weatherford, Texas artist Amy Glasgow for a demonstration at its May 20th meeting.

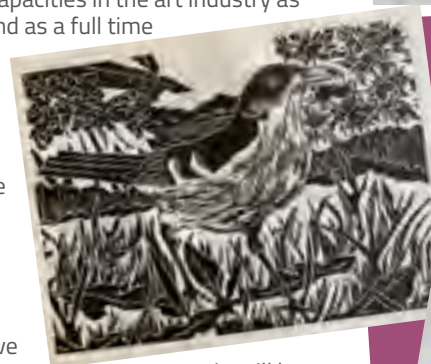

Glasgow specializes in oil painting, monotype printmaking, and relief linocut prints. Her art is primarily inspired by nature where she takes photos and sketches to use in the studio as her subjects. During her art career Glasgow has worked in several capacities in the art industry as an educator, gallery sales and assistant director, in art media, and as a full time studio artist. She has both a B.F.A. and M.F.A. in printmaking.

Monotypes begin by painting on a non-absorbent surface, then placing paper or material over the image and applying pressure and transferring the image from the non-absorbent surface to the paper or material by using a printing press or by hand. There are a variety of techniques you can use with this to make a very unique piece of artwork.

Relief Linocut printing is a more modern version of woodcuts using more modern materials. These materials can be linoleum or a material similar to an eraser. You use woodcut tools to carve away anything that is not part of your image, and what you want to remain will be raised. Using a brayer, you roll ink on the raised image and apply pressure with your hand using a barren or with a printing press to transfer the image to paper. You can print multiple prints because the image is fixed.

Glasgow states "I personally love the relief linocut printmaking. It requires more planning ahead and a process to achieve the final product, which almost always has an element of surprise."

Demonstrations are free and open to the public. You can learn more about the artist by reaching her at [waglasgow@earthlink.net](mailto:waglasgow@earthlink.net)

## 2024 CHILDREN'S ART CAMP K - 5TH GRADE

**June 10-13 & June 17-20 10am - Noon**

**Location:** Central Christian Church, 1602 S Main St, Weatherford, TX 76086, USA

It's simple...without teachers, there can be no Art Camp. This is a community service we provide and it supports our non-profit status. We need members like you to:

- Volunteer 2 hours per day for 4 days, for one week OR partner with a friend and split the week so you only work two days.
- We also need helpers. Each teacher will have an assistant assigned IF we have enough volunteers.
- Classes are divided by grade - K-2 and 3-5. Each teacher will have 10 students.
- Weatherford Art pays for all supplies - teachers come up with the art projects.
- Teachers and helpers are paid a small stipend in appreciation of their support.

How do you get involved? Hit reply to respond to this email - tell us whether you want to teach or be an assistant and which grade group you prefer (K-2 or 3-5).

You can reach out to our Art Camp coordinator directly if you have additional questions. Jill Harper may be reached at [817-980-6159](tel:817-980-6159).

Art Camp is always a sell-out! So it's definitely a need in the community. Let's not have to disappoint all those kids this year. Please help WAA continue to serve the community we love.

# Artists of the Month - May

The Weatherford Art Association is pleased to announce the winners of Artist of the Month for May. Each month, WAA members can compete for first, second, and third place ribbons and the opportunity to showcase their artwork at local Weatherford banks and The Doss Heritage and Culture Center.

In June all Artist of the Month winners will be eligible to compete for the Artist of the Year award. Images of the previous winners' art will be voted on by online proxy.

First place was awarded to artist Marla Grey Sheft for her watercolor painting "Bluebirds in Spring". Marla's style is very unique with detailed anatomically correct animals amid their natural surroundings. A lifelong artist she taught herself watercolors during recovery from cancer. All of her paintings have small creatures hidden in them such as the ants in this one and her trademark ladybug. This and other artworks by Marla will be featured at The Doss Heritage and Culture Center throughout May.

Second place went to Jill Harper for her watercolor painting "Jars". Jill took the photo of the vibrant vases on a trip to Disneyworld and knew she had to create it in a watercolor work. Weatherford Art Association invites you to view this work, on display in May at First Bank Texas in downtown Weatherford.

Third place honors were awarded to Karel Thome for her acrylic painting "Leopard". Karel said that this was her first time to paint a leopard, she felt it was very rewarding to see the results come to life on such a large canvas. View Karel's painting in May, at the Fort Worth Community Credit Union on South Main Street in Weatherford.

## Julie Desrochers

Julie Desrochers has been working on a painting to celebrate the exceptional solar eclipse on April 8, 2024. She uses high flow acrylics and mixes some of them with pouring mediums. She calls this piece *Cosmic Energy*, size 36" x 48". Julie used the element of line to create a lot of movement to give the painting a high frequency feeling. She stayed within a color spectrum to give this piece boundaries. This painting is loud and energetic and will definitely not appeal to everyone. As we know, art is subjective, and hopefully it will find its audience.
