AUGUST 26, 2024 MONTHLY MEETING DEMO

DONNY SPENCER

The Weatherford Art Association welcomes Texas artist Donny Spencer for a demonstration at its August 26th meeting from 6-7:45 p.m., at the Senior Center, 1225 Holland Lake Drive in Weatherford.

Spencer is a full-time pencil/graphite artist. He grew up in New Mexico where he drew desert landscapes and wildlife as a hobby. Donny continued to draw throughout his school years. When he finished college he moved to Texas, where he worked and continued creating artwork as a hobby. In 2017 Donny began taking on commissions for extra income and became busy enough to go full time two years ago. Donny currently travels around art festivals, local pop ups, and many other art events showcasing his work.

Artist Statement: My art encourages the viewer to observe the natural world around them and to pay attention to its story. To remember, with reverence, the beautiful details that are all around.

Spencer works primarily in graphite and prisma color pencil in a realism technique. For the demonstration, he will go over shading, blending, and how to add texture.

Demonstrations are free and open to the public. You can learn more about the artist at www.donnyspencerart.com

REFLECTIONS

If you were interested in Maryann Brummer's presentation at July monthly meeting, and wished you had taken notes, this video is by Rachel McCampbell, who uses the same U.Go pochade box and many of the exact same supplies used by Maryann. The nice thing about Rachel's video is that in the video narrative section, she gives you a written list of all her recommendations and internet links to where you can buy each of the products she uses. Rachel uses different paints and brushes than Maryann, but the rest of her painting kit is remarkably similar.

Downsizing is HARD!

I'm so grateful for my wonderful 1200 sf studio (left), built for me by my husband, Sam, when we moved to Weatherford in 2012. It's been my creative heaven and I've loved every minute of it. But God has perfect timing. As my hands dictated I give up clay and find a new medium, Sam began to need me nearby more often.

So, we decided to create a studio space in the house and the dining room seemed the best candidate (bottom). It's serving me well as a painting studio in preparation for our move to a smaller place, hopefully in the fall.

I am blessed to share this journey with a man who puts me and my art first. I won the husband lottery for sure!
