# VOLUNTEER OPPORTUNITY

Dear Friends,

Some of you may have heard about the exciting news that an international watercolor exhibition (Fabriano-In-Watercolor 2024) will be held in the Fort Worth Community Arts Center (1300 Gendy Street, Fort Worth) on October 14 -19, 2024.

This event is in collaboration with the Fabriano-In-Aquarello, an annual international watercolor exhibition in Italy. It is the world's biggest and most important watercolor exhibition. More than 1000 curated watercolor paintings by artists from more than 180 countries all over the world, with different styles, different techniques, as well as different themes and topics, will be shown. The event will also feature demonstrations conducted by internationally well-known masters. It is definitely a great occasion to interact with watercolor artists near and afar.

To ensure its success and to allow us a chance to participate, the Exhibition Chair, Mr. Laurin McCracken, is asking for volunteers to assist in the many functions of the event. This wonderful opportunity is open to all members interested to serve as volunteers and available to help.

Thank you very much for your interest.

Kind regards,  
Iok-Hou (Yoko)

# JULY DEMO

## MARYANN BRUMMER

**Contemporary Artist**  
<https://www.maryannbrummer.com/>

The Weatherford Art Association welcomes contemporary artist Maryann Brummer for a demonstration at its July 22nd meeting from 6 -7:45 p.m., at the Senior Center, 1225 Holland Lake Drive in Weatherford.

Maryann earned a Bachelor of Fine Arts degree from Moore College of Art and Design, Philadelphia. She has been painting full-time since 2011 when she retired from her business in leadership training.

Maryann's work is colorful and contemporary utilizing oils as her favorite medium. The natural world is a favorite focus inspired by landscapes, cityscape, floral, and

interesting still lifes. She enjoys what the landscape gives her when painting on-site outdoors, known as painting en plein air. Whether it's colorful light, clear water, cold rain-soaked mornings, or frequently a surprising change in weather conditions, she welcomes it. Her work shows an eye for large shapes: chunks of mountains, pools of water, and the structure of buildings.

Maryann's works can be found in Public and Private Collections. A recent, notable public project: 19 painting images were reproduced in large scale for Texas Harris Methodist Hospital, Justin Tower in Fort

Worth.

Works have been invited for exhibition at Salon International, Outdoor Painters Society: Plein Air Southwest Plein Air Event and Salon shows, American Plains Artists Juried Show, Oil Painters of America Showcase, Preservation is the Art of the City, Rio Brazos Art Exhibit, Breckenridge Fine Arts Center, and Red River Valley Museum.

She has a Signature membership in the Outdoor Painter's Society and is a member if The American Impressionist Society.

**Dale Smith**  
"Vail Brook", Oil  
\$2400

**Penny McKenna**  
"Blue Heron", Mixed Media  
\$290

**Kathy Cunning**  
"Lures", Watercolor  
\$350

The Weatherford Art Association is pleased to announce the winners of Artist of the Month for July.

First place was awarded to artist Kathy Cunning with her watercolor painting "Lures". This painting is part of a new series inspired by Kathy's husbands' new boat and all the beautiful gear that goes along with the hobby of fishing. This and other artworks by Kathy will be featured at The Doss Heritage and Culture Center throughout July.

Second place went to Dale Smith with her oil painting "Vail Brook". Inspiration for this painting came from a photograph Dale took of a beautiful brook while on a hike with her friend in the Fall at West Vail, Colorado. Dale hopes the viewer can hear the bubbling water as she did that day. Weatherford Art Association invites you to view this work, on display in July at First Bank Texas in downtown Weatherford.

Third place honors were awarded to Penny McKenna with her mixed media piece "Blue Heron". This piece created with seed beads and formed into a beautiful blue heron, is a new favorite process for Penny. The beads are held down in a glue and water mixture and then sprayed with a varnish once they have dried. View Penny's art in July, at the Fort Worth Community Credit Union on South Main Street in Weatherford.

Artist Christopher Blay's *East Rosedale Monument Project* transformed a vintage transit bus into Fort Worth Public Art's latest public artwork. Located on East Rosedale Ave, the artwork stands across from the future site of the National Juneteenth Museum. **"By placing this monument to the struggle for equality in full view of the city, and highlighting its connection to that very cause, we not only recognize the Evans neighborhood's connection to that struggle, but also place a marker to where we've been, and where we are going,"** said Blay.
