Greetings from the President!

We have two more large events for WAA this year! Peach Festival registration is under way and Spirit of the West is close behind. This will be the 59th year WAA has participated in the Peach Festival Art Show. We hope that all WAA members are getting their entries ready for both shows. There are still volunteer opportunities available.

The board has been hard at work getting demos and workshops ready for the rest of the year. Details will be posted in this newsletter.

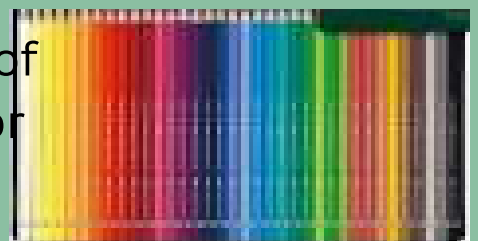

May is the last month of the year for Artist of the Month and the Betty Murray Award for Volunteerism. The board will select a WAA member they feel earned the award for volunteering and will present the honor at the June Meeting. All WAA members will be able to e-vote for Artist of the Year after the May AoM is selected.

Summer is just around the corner, we hope that wherever your vacation travels take you, you take lots of pictures, make lots of art and be safe.

Artist of the Month April

The Weatherford Art Association is pleased to announce the winners of Artist of the Month for May. Each month, WAA members can compete for first, second, and third place ribbons and the opportunity to showcase their artwork at local Weatherford banks and The Doss Heritage and Culture Center.

Artist of the Month first place winners are eligible to compete for the Artist of the Year award which is voted on by online proxy every June.

First place was awarded to artist Michael McCarty with his mixed media piece “Solar System”. This piece was influenced by Zentangle work, it includes the use of watercolor along with pen and ink. Michael used various objects to create the shapes and scene. Michael’s piece will be featured at The Doss Heritage and Culture Center throughout May.

Second place went to Becky Anthony with her oil painting “Let’s Go Dog”. Becky is mostly self-taught and uses hundreds of photographs to reference the scenes she creates. This piece features her family and their horses as the references. The scene is from Lost Maples, Texas. Becky’s piece will be on display at the First Bank Texas in Weatherford, through the month of May.

Third place honors were awarded to Cindi Neverdousky with her pastel “Peaceful Texas Sky”. She has been working to advance her technique with her instructor Lynda Conley. Cindi has been practicing on several cloud pieces as she learns the art of pastel which includes this calming sky piece. View Cindi’s art in May, at the Fort Worth Community Credit Union on South Main Street in Weatherford.

Weatherford Art Association, as a non-profit organization, runs on a tight annual budget. In order to provide awards for our shows we rely on donations to supplement the entry fees and to provide consistent quality awards. You can donate cash through our website or you can bring supplies (preferably new) to use as awards, to our monthly meetings. The next show is the PCSAS (Parker County Student Art Show) and after that is the Members Show. Supplies are especially appropriate for the Student Show. Click here to donate online:
