# Spotlight on Member Artists

Each month watch for our featured artist in this newsletters and other media sites.

Weatherford's  
Art  
Heart  
Turns 60!

The Weatherford Art Association turns sixty in 2026, and they are celebrating that big anniversary by featuring some of their members. What started with a hand-full of Weatherford artists in 1966 who joined together to do art, talk art and promote art; WAA has grown into a thriving non-profit Association of over sixty-five members.

President of today's Weatherford Art Association, Kathy Cunningham, shares her journey with WAA. "I've lived in Weatherford since 1978, and first joined WAA in the late 1980's. But my twenty-six-year career as an art teacher in Weatherford ISD took up a lot of my time. It wasn't until I retired in 2011 that WAA became more of my focus. When I retired, I was looking to still be with like-minded artists. I enjoy people who create art because they must, and WAA artists are a fun group that like to learn new art techniques and keep current and fresh in their artwork, whatever their skill level, beginner or professional."

Kathy has served the Weatherford Art Association in several of the group's board positions; treasurer and membership chair, before her current stint as President of the group. Kathy also gives to Weatherford by teaching free art lessons weekly to seniors. As she said, "The teaching spirit doesn't go away when you retire from teaching." She also coordinates the yearly Parker County Student Art Show sponsored by WAA. (cont. page 10)

# More about our President

## Kathy Cuning

Kathy's media of choice is watercolor, and she is a well-known and award-winning artist at the local and state level. Kathy recently showed her brilliance with wins at the 2023 State Fair of Texas Art Contest where she won the prestigious Teacher and Professional Division, watercolor portrait and watercolor still life. Her first-place portrait win was "Banjo Man", her first place still life was "New Zealand Chevy". In 2025, she garnered a second-place win with her watercolor "Purple Fairlane." Kathy's biggest fans are her husband, Ron, who retired from a thirty-six-year USAF career and her son and daughter who lives in Fort Worth.

So, what's next for the Weatherford Art Association? "Growth. Wonderful growth..." says Kathy. We have been growing up with Weatherford for a long time. We've been at every Parker County Peach Festival with a Peach Festival Art Show at the Doss. We have a long-standing relationship with the Doss Heritage and Culture Center who partners with us in art shows year-round featuring our local artists. We are currently searching for a permanent home, a place big enough for meetings, a gallery space, and studio space for lessons. We need a place to help support the future of art in Parker County. We meet now on the fourth Monday of each month at the Parker County Senior Center. This is an exciting time for Weatherford and the art possibilities through WAA in this historic town are endless."

"Art is just a series of adjustments...and Life is Art."

This workshop is perfect for those who want to hone their skills in portrait painting using mainly oil, pastel or acrylic mediums.

James has painted and sculpted his way to a very fulfilling niche for himself in the art world. For him, the journey along the way is the meaningful part of life. He sees his journey is in learning how to learn. Today he is a teacher as well as an artist who passes on his experience in art to many seminar and private students across the country. James is mostly a self taught artist but one of the people he gives credit to for most of "the good stuff" he knows about his art is the consummate master artist of Carthage, Missouri, Bob Tommey.
