OCTOBER DEMO - DIANE BROWN

WATERCOLOR

Diane Brown is an artist residing in Aledo, Texas. She was born in Ellsworth, Kansas, and raised in the Denver metropolitan area. Diane has always had a driving interest in art in general and drawing and watercolor painting specifically. She attended Bethany College in Lindsborg, Kansas on an art scholarship and graduated with a Bachelor of Arts Degree in Elementary Education and a minor in Art. Diane has drawn and painted since she was old enough to hold a pencil, and has honed her skills through instruction and practice for over fifty years. Her work can be viewed on her website ruralgirlgraphics.com. Many of her pieces are in private collections all over the country. Diane has illustrated five children's books and is working currently on several stories of her own. The books she has illustrated are published by 4RV Publishing.

ARTIST OF THE MONTH !

OCTOBER !

First Place was awarded to **Cindi Neverdousky** for her oil painting “The Music Room.” This painting is a dramatic still life centered around a violin. It features a strong contrast between the dark background and illuminated objects giving it a moody, intimate, Old Master-inspired quality. The violin, music, candle, and moon create a feeling of music, nostalgia, and quiet nighttime reflection. Cindi’s winning artwork will be exhibited at Hudson Oaks City Hall throughout October.

Second Place honors went to **Mike McCarty** for his watercolor painting “Franipani.” This painting is a beautiful floral composition featuring several large flowers, including lilies and other blossoms. You can see Mike’s painting at First Bank Texas on Palo Pinto in Weatherford

Third Place was awarded to **Patricia Harder** for her watercolor painting “Sitting in The Garden.” This painting is a charming garden landscape. This piece feels peaceful and inviting, capturing the feeling of sitting quietly in a well-loved garden rather than simply documenting a landscape. Patricia’s artwork will be on display at Worth Credit Union on south Main in Weatherford.
